

GPSS Vice President of Equity and Inclusion

Fall 2023 Quarterly Report

Diversity Committee

- ❖ Created the new 2023-2024 Diversity Funds Application
- ❖ Updated the GPSS website Diversity Funds page
- ❖ Launched Diversity Committee November 1st and have met weekly since
- ❖ Received 3 Diversity Funds Applications that will be voted on in January
- ❖ Working with GPSS staff members, creating and disseminating fliers and information about Diversity Funds and being a member of Diversity Committee

Judicial Committee

- ❖ Helped jump start Judicial Committee, including the election of a chair
- ❖ Been engaged as an Ex-Officio member
- ❖ Over winter break, creating a slate of potential bylaws changes for the committee to consider

Diversity Summit

- ❖ Working with the Vice President of Internal, opened the form and outreach for a call for submission for the Visual and Performing Arts Show
- ❖ Creating list for the on campus and off campus entities to invite to table for the Resource and Research Fair
- ❖ Venues for both have been booked

Senator of the Month

- ❖ Created the form for the Senator of the Month
- ❖ Updated the website to include the new form

Partnership with the Diversity Leadership Conference

- ❖ Met with the lead organizer for the Diversity Leadership Conference held by the Ethnic Cultural Center for potential partnership
- ❖ Invited her to Diversity Committee to discuss ways to include graduate students better and on potential ideas for the event
- ❖ Jess, my staff member, is on their planning committee

Board of Regents DEI Subcommittee

- ❖ Attended the Fall Quarter meeting regarding student admissions diversity for undergraduate and graduate and professional programs

Equity Toolkit

- ❖ Had worked with Jess to create an outline for the toolkit's structure
- ❖ Divided sections between us for each of us to research and write over the next several months

Networking and Basketball Game

- ❖ In partnership with the UW Alumni Association and UW Athletics, I worked with our VPI Amanda Chin on holding a women's basketball game and networking event aimed at expanding collaboration with our partners, highlighting the importance of women's sports, and finding new ways to engage graduate and professional students

GPSS Diversity Resources LinkTree

- ❖ Worked with Jess in creating and launching a GPSS Diversity Resources LinkTree
- ❖ The LinkTree is a way for students to find identity and basic needs resources in and around campus in a central location
- ❖ I have uploaded the link to the website and am working on advertising it further
