

Courtyard

○ denotes either courtyard or other

~~duf skoda~~
~~sorbus reducta~~

- ✓ actinidia kolomikta (vine)
- ✓ beringostroma palmatum
- ✗ ~~rib. japonense~~ - improved variety given separately
- ✓ mahonia x menziesii - hardy hybrid of M. lommarifolia
- salix magnifica
- trochodendron aralioides
- persicaria persiana
- osmanthus varieties (large & small)
- acer acuminatifolia
- ✓ " griseum
- ✗ Kalmia - new varieties (shade)
- ✗ anemone Emily Brown (forms mound - hardy)
- ✓ fragaria chilensis Elsie Frye
- ✗ waldsteinia trifolia
- desc ground cover
- ✗ woodwardia imbricata
- ✗ polypodium seoulensis
- ✗ dryopteris erythrosora / varia
- stewartia monodelpha
- Korean
- glutinosa
- pseudocamelia
- ✗ pubescens nivalis
- tilia cordata
- salix magnifica
- salix ground cover species
- sorbus reducta
- dianthus cercidifolia
- tsuga canadensis Cole's prostrate
- penstemon seoulensis var. alba
- ✗ ophiopogon planescens var. niqueri

Zelkova serrata
rhus

Other

- ✗✗✗ Xanthoxylum simplicis uita
- Zelkova serrata 22
- Crataegus phaenopyrum
- phillyrea decora
- myrica Californica
- incense cedar
- Portuguese laurel
- vitis coignetiae
- nothofagus - varieties (shelter)
- sequoia sempervirens prostrata
- ✗ idesia polytricha (shelter)
- acer cinnabarinum
- festuca
- prairie grasses - full sun
- medicantus - special varieties - red
- quercus Schumardii
- tsuga canadensis = many forms large and small
- leucosticte davisiaca etc.
- cedrus deodar pendula
- pseudolarix amabilis
- ? acer japonicum (selected form)
- acer quinana clumps
- Analdia 15"
- pyrus calleryana - Dolly
- Krumm Park - also 11"
- cornus mas - clumps
- berberis thunbergii - varieties fruit
- var. japonica
- aletris varieties - Korean oil
- ros rugosa - disease free
- ribunus -

note: acer pseudo-platanus - tolerant - salt spray + deicing salts
