We want to ensure the highest quality of instruction possible. Please read the following policies carefully before signing this form:

1. Please attend regularly; when you cannot come to class, you must let us know. We suggest you minimize such summer activities as classes or work so that you can put your effort toward scoring well on your test.
2. For every two hours of lecture time in class, you should expect to study at least four hours outside of class.
3. We request that you provide us (anonymously) with your final test score. This will be used only to evaluate the effectiveness of our course.
