## Please fill out the following table with the resources you need:

- \* Please put the titles in order of priority/urgency.
- \* Please note in the title box if this is a unique version or release of the material (e.g., the 1948 version, or the 'Directors Cut').
- \* If there are multiple videos, versions, etc. on a single disc, please indicate which you would like for your course.
- \* An **Embed** code is something that allows you to put the media directly into yor Canvas/Moodle page. A **Link** is imply a separate webpage for viewing the media. Both options can be used in Canvas/Moodle, but a link must be used if you want to share it outside of Canvas/Moodle (e.g., via email, a course website, etc.)
- \* Urgent returns are for inter-library loans or rentals that need to be returned quickly.
- \* You and your department are responsible to attaining copyright clearance for materials that require it.
