

**A list of resources in Eastern Washington State for families, caregivers, and people living with Alzheimer's disease and other conditions that cause dementia.**

*Compiled by the UW Alzheimer's Disease Research Center in Seattle.*

## **Resources serving Eastern Washington**

### **Alzheimer's Association - Spokane Office**

The Alzheimer's Association offers information, resources, and exclusive educational opportunities for residents of Eastern WA, funded by Aging & Long Term Care.

For more information call: 509-456-0456 (Spokane Office) | Visit: [www.alzwa.org](http://www.alzwa.org) | Email: [InquiryWa@alz.org](mailto:InquiryWa@alz.org)

### **WA State Community Living Connections (Area Agencies on Aging)**

WA State CLC is part of a national collaborative effort of the U.S. Department of Health and Human Services, the Veterans Administration and the Centers for Medicare & Medicaid Services designed to help individuals of all ages, disabilities and income levels, their caregivers, legal representatives and families get home and community-based supports and services.
