

A list of resources in Western Washington State for families, caregivers, and people living with Alzheimer's disease and other conditions that cause dementia.

Compiled by the UW Alzheimer's Disease Research Center in Seattle.

Resources serving Western Washington

Alzheimer's Association - Lynnwood and Tukwila Offices

The Alzheimer's Association offers information, resources, and support groups for those living with or caring for someone with Alzheimer's or other dementias.

For more information call: 206-363-5500 (Lynnwood and Tukwila Offices) | Visit: www.alzwa.org | Email: InquiryWa@alz.org

WA State Community Living Connections (Area Agencies on Aging)

WA State CLC is part of a national collaborative effort of the U.S. Department of Health and Human Services, the Veterans Administration and the Centers for Medicare & Medicaid Services designed to help individuals of all ages, disabilities and income levels, their caregivers, legal representatives and families get home and community-based supports and services.

Find Your Local Community Living Connections: www.waalc.org/consite/connect/

UW Memory and Brain Wellness Center

UW Medicine's Memory and Brain Wellness Center, in partnership with the UW ADRC, provides information about clinical care and diagnosis at the memory clinic, a patient handbook, and resources for supporting dementia-friendly communities.
