

Participants Required for Conversations with People with Memory Loss Study

Are you a caregiver for someone with memory loss?

Help us! Our goal is to learn about support conversations with persons living with memory loss

Eligibility

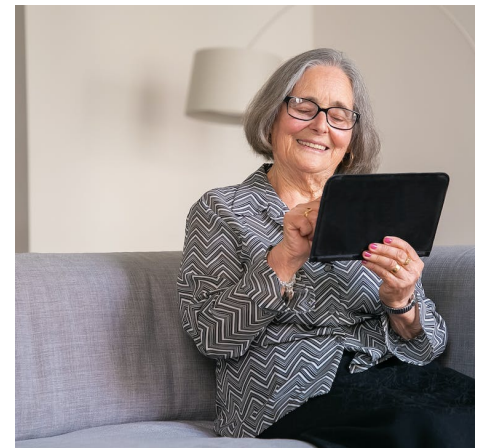

People with memory loss and their caregivers.

Research Study

- 12 study visits over 6 months
- Each visit will be 1 hour at the person with memory loss place of residence
- We will return every 2 weeks for similar hourly sessions over the next 6 months.

Compensation

After each visit, you will receive gift cards worth \$25 (up to \$300 for all 12 visits)
