

# The Impact of Alzheimer's and Dementia in Our Community

**\* Featuring Seattle's Aging and Disability Services \***

An education program presented by the Alzheimer's Association

## WHAT YOU WILL LEARN

Featuring refreshed content and the latest insights from the U.S. POINTER study, this presentation is perfect for broad community audiences seeking to understand Alzheimer's, risk reduction, and how to get involved.

We have also invited Mary Pat O'Leary from the Seattle Aging and Disability Services Division to come educate us on how ADS can help caregivers of those with dementia, behaviors and medication management for dementia, and more!
