

HOLIDAY THEMED

OPEN MIC & KARAOKE NIGHT

FRIDAY DECEMBER 13
4-5:30 P.M.

Join others with memory loss and their families, as well as a group of local high school and college students, for a warm and welcoming holiday open mic experience at the Memory Hub. Bring a song to sing, a poem to read, or a favorite quote to share on the theme of what the holiday season means to you. Or just come to listen! We'll end with karaoke for those who would like to participate. Organized by two student groups: the Purple Ambassadors and Keys To Connection.
