

SPRING

# OPEN MIC & KARAOKE NIGHT

**THURSDAY MAY 22**  
**4-5:30 P.M.**

Join others with memory loss and their families, as well as a group of local high school and college students, for a warm and welcoming open mic experience at the Memory Hub. Bring a song to sing, a poem to read, or a favorite spring quote to share. Or just come to listen! We'll end with karaoke for those who would like to participate.

Organized by two student groups: the Purple Ambassadors and Keys To Connection.
