

Partners in Dementia - Northwest

A partner for a year - memories for a lifetime!

**Orientation
takes place
Wednesday
October 29,
2025**

BENEFITS:

- Help future doctors and social workers understand more about memory loss
- Cultivate relationships
- Strengthen the community

Do you live with early stage memory loss? Want to help mentor the next generation of health care providers? **Sign up for Partners in Dementia-Northwest!**

In this program, you'll be matched with a first year medical student or social work student for informal meet-ups from Oct 2025 - May 2026. Enjoy conversation, activities and connection. Meet in person in the Seattle area, or online via Zoom.
