PALLIATIVE CARE
TOGETHER

Have you or your loved one been affected by memory loss?

Join the ImPaCT Research Study!

You can help us understand the experience of Spanish-speaking Latino/e/a/x/Hispanic older adults and their families so we can improve the care and support provided to them.

You are eligible if:

- You are an adult over 55 years of age with memory loss
- Your main language is Spanish

- You are an adult family member **or** caregiver of someone with memory loss
- Your main language is Spanish or English

Complete one interview and receive \$50 as a thank you
