

REQUEST TO FORM A SUPERVISORY COMMITTEE

Student Name:

Expected Quarter of General Exam:

The Supervisory Committee should contain at least **three** individuals who are members of the Program training faculty. It is suggested that you might appoint four faculty in case you have an unexpected absence at your general exam.

- At least one member of the Committee should represent an area of neuroscience outside your immediate area of research.
- At least one member of the Committee other than your advisor must be eligible to be a Neuroscience Program Representative (NPR). To be eligible, they need to have been the advisor of a student who successfully completed a PhD in our Program.
- In addition, you will select a Graduate School Representative (GSR) for your Supervisory Committee.
- The GSR must be at your general exam.
- It is your responsibility to provide this completed form to the Neuroscience Graduate Program Advisor (GPA).
- The GPA will confirm the availability for your exam with the committee members.

The Supervisory committee must be appointed by the last day of the Autumn Quarter of your second year.

Please appoint the following faculty as my Supervisory Committee:

	Role	Name	Title	Department
1				
2				
3				
4				
5				
6
