## Duties and Responsibilities

Tutoring elementary K-5 students one-on-one, or maybe in small groups. The teacher will instruct the tutors on what to do. There may be times when the volunteers will be asked to do preparation of materials.

## Minimum Qualifications

We would like volunteers to show a willingness to assist the teachers and their students. Patience, compassion, taking initiative and demonstrating professionalism; to be prompt and dependable.

## Educational Benefits

Tutors reap the benefits of knowing that they are helping children learn. There is a sense of accomplishment when the students you work with "get" what you are teaching them. You will see growth over time in what they have learned. Students look forward to the tutors who come in regularly and they form a bond with the them.

## Additional Information
Additional Information: We are easily accessible by bus #36, bus #60 and Link light rail (10 minute walk from Beacon Hill Station). Thank you for helping the students and teachers of our school!

To apply, please contact by email and indicate you are looking for an America Reads placement. Please also include your availability and a brief description of your interests in tutoring.
