### Website
- http://highlandparkes.seattleschools.org/

### Duties and Responsibilities

Highland Park reading intervention focuses on the 5 subsets: 1. Phonics; 2. Phonemic Awareness; 3. Vocabulary; 4. Fluency; & 5. Comprehension. Our mathematics intervention focuses are: 1. Number Sense; 2. Measurement; 3. Algebraic Sense; 4. Geometric Sense; & 5. Data/Probability. We have developed many academic programs, intervention curriculum, as well as games and activities. Each tutor that joins our team is fully trained by specialized staff. Tutoring happens Monday through Friday throughout the day. Everything done during tutoring is at an elementary level (kindergarten through fifth grade) and is incredibly easy to learn and teach.

### Minimum Qualifications

Tutors are able to work closely with educators and students in a K-5 setting and learn the fundamental skills that go behind learning mathematics and literacy.

### Educational Benefits

Tutors are able to work closely with educators and students in a K-5 setting and learn the fundamental skills that go behind learning mathematics and literacy. If volunteer hours towards a future educational career are needed we can total those up in an official form.

### Additional Information

To apply, contact by e-mail, indicating that you hope to arrange for an interview for possible placement as an America Reads tutor.
