

Carrie Crocodile's Food Record

One hot summer day, Alicia Alligator was eating lunch with Carrie Crocodile. They were eating carrot sticks , orange slices , low protein bread and margarine , and Carrie also had a glass of her formula .

After lunch, Carrie went over to the refrigerator and got down a piece of paper and put some stars  on the paper. Alicia asked her what she was doing. Carrie said she had to keep track of the foods she eats, so she doesn't get too much phe.
