

Hidden Fruits and Vegetables

Douglas Dawg has found his favorite fruits and vegetable. Their names are hidden in the sentences below. Find their names by looking at the end of one word and putting it together with the beginning of the next word. Circle the word in the sentence. To get you started, the first one has been underlined (banana).

1. Douglas met with a Cuban, an American, and a Mexican.
2. She is wearing gold clip earrings.
3. When the show is over, clap please.
4. Slip each key under the door.
5. To keep up a car, rotate the tires.
6. He used cheap lumber for the doghouse.
