

POD CLASS FORMATS

Whether you'd like to learn online, onsite at our Roosevelt Commons classrooms, or at your own pace, POD offers five different class formats to help meet your needs and interests.

Class Formats

Live online session: Class content will be delivered via live online Zoom session(s) with supplemental materials.

Self-paced online course: Class content will be delivered via a self-paced online course. After registering, participants receive a link to the online course and will have through the end of the quarter to complete it.

Hybrid course: Class content will be delivered via live online Zoom session(s) and a self-paced online learning class.

Classroom session: If we determine we can do so safely, class content will be delivered in-person at Roosevelt Commons East classroom with supplemental materials. Class sizes have been heavily reduced and POD is following current safety protocols, including masking. All internal and external instructors have met vaccination requirements. POD may decide to move this class online for the health and safety of our participants, staff, and instructors.

Mixed format: Class content will be delivered through a combination of two or more formats.
