Greetings ECC,

I am writing to officially inform you of the allocation made to the ECC for Fiscal Year 2026. After extensive deliberations, as well as consideration of your submitted documents and testimony, the Services & Activities Fee Committee agreed to recommend an allocation of **\$1,513,547**. The recommendation was accepted by the Vice President for Student Life, Denzil Suite, and was approved by the Board of Regents during their May 8th meeting.

This year, increases in requests were close to \$600k more than our projected increase in revenue. However, after careful consideration, including the increased demand for the ECC's services in recent times, the Committee decided on an allocation representing a \$52,807 increase over Fiscal Year 2025, reflecting the full ECC request for Mandatory Wages and Benefits.

The Committee appreciates your detailed request outlining your history and current use of SAF funds. We also commend your use of our logo.

I understand that it may be discouraging to receive less than your full requested allocation, but we hope that you can continue to serve students in these uncertain times. We encourage you to continue to pursue additional methods for generating revenue.

The Committee thanks you for your continued cooperation with the SAF process, and we hope to continue working together in the future. It has been a pleasure working with you this year, and I wish you all the best.

Sincerely,

Haley Chee
