Greetings Chenoa,

I am writing to officially inform you of the allocation made to the wələbʔaltx^w – Intellectual House (Intellectual House) for Fiscal Year 2026. After extensive deliberations, as well as consideration of your submitted documents and testimony, the Services & Activities Fee Committee agreed to recommend an allocation of **\$234,159**. The recommendation was accepted by the Vice President for Student Life, Denzil Suite, and was approved by the Board of Regents during their May 8th meeting.

This year, increases in requests were close to \$600k more than our projected increase in revenue. Despite this, after careful consideration of the Intellectual House's request the Committee decided on an allocation representing a \$9,303 increase over Fiscal Year 2025, reflecting the full request for Wages & Benefits, and the partial request for the New Assistant Director.

The Committee appreciates the time and effort you put into your budget request and presentation. The level of detail was very informative and helped to expedite the deliberations process.

I understand that it can be disheartening to receive less than your full request, but we hope that your allocation allows you to continue serving students. We invite you to continue exploring options for generating additional revenue.

The Committee thanks you for your cooperation with the SAF process, and we hope to continue working together in the future. It has been a pleasure working with you, and I wish you the best.

Sincerely,

Haley Chee
