Greetings LiveWell,

I am writing to officially inform you of the allocation made to LiveWell for Fiscal Year 2026. After extensive deliberations, as well as consideration of your submitted documents and testimony, the Services & Activities Fee Committee agreed to recommend an allocation of **\$226,368**. The recommendation was accepted by the Vice President for Student Life, Denzil Suite, and was approved by the Board of Regents during their May 8th meeting.

This year, increases in requests were close to \$600k more than our projected increase in revenue. Despite this, the Committee decided on an allocation representing a \$12,813 increase over Fiscal Year 2025, reflecting LiveWell's partial request, including the full request for Wages & Benefits.

The Committee appreciates the time and effort you put into your budget request. The level of detail was very informative, especially the included links.

I understand that it can be disheartening to receive less than your full request, but we hope that your allocation allows you to continue serving students.

The Committee thanks you for your cooperation with the SAF process, and we hope to continue working together in the future. It has been a pleasure working with you, and I wish you the best.

Sincerely,
