Greetings Husky Union Building,

I am writing to officially inform you of the allocation made to the Husky Union Building (HUB) for Fiscal Year 2027. After extensive deliberations, as well as consideration of your submitted documents and testimony, the Services & Activities Fee Committee agreed to recommend an allocation of **$2,716,285**. The recommendation was accepted by the Vice President for Student Life, Denzil Suite, and was approved by the Board of Regents during their May 14th meeting.

This year requested increases were close to $1.4m more than our projected increase in revenue. Despite this, after careful consideration of the increasing demand for the HUB's services, the Committee decided on an allocation representing a $104,477 increase over Fiscal Year 2026, reflecting the HUB's partial request for Wages & Benefits Increases.

The Committee appreciates the time and effort you put into your budget request and presentation. We also appreciate you taking the time to further explain the HUB's shared services model in detail. In the future, we would like written evidence that the D Center and Student Legal Services are still receiving adequate funding. The Committee would also appreciate future updates on the implementation of the HUB's shared services model.

I understand that it can be disheartening to receive less than your full request, but we hope that your allocation allows you to continue serving students. We invite you to continue exploring options for generating additional revenue.

The Committee thanks you for your cooperation with the SAF process, and we hope to continue working together in the future. It has been a pleasure working with you, and I wish you the best.

Sincerely,

Haley Chee
