Greetings Q Center,

I am writing to officially inform you of the allocation made to the Q Center for Fiscal Year 2027. After extensive deliberations, as well as consideration of your submitted documents and testimony, the Services & Activities Fee Committee agreed to recommend an allocation of **$669,773**. The recommendation was accepted by the Vice President for Student Life, Denzil Suite, and was approved by the Board of Regents during their May 14th meeting.

This year increases in requests were close to $1.4m more than our projected increase in revenue. Despite this, after careful consideration of the increasing demand for the Q Center's services, the Committee decided on an allocation representing a $18,768 increase over Fiscal Year 2026, reflecting your full request for Wages and Benefits increases and partial requests for supplies and materials and Professional and Purchased services.

The Committee appreciates the time and effort you put into your budget request and presentation. The level of detail was very informative and helped to expedite the deliberations process. We also applaud your commitment to using our logo. In the future, we would appreciate it if you utilized budget presentations primarily as a time for questions with an optional brief presentation.

I understand that it can be disheartening to receive less than your full request, but we hope that your allocation allows you to continue serving students.

The Committee thanks you for your cooperation with the SAF process, and we hope to continue working together in the future. It has been a pleasure working with you, and I wish you the best.

Sincerely,

Haley Chee
