Greetings Student Veteran Life,

I am writing to officially inform you of the allocation made to Student Veteran Life (SVL) for Fiscal Year 2027. After extensive deliberations, as well as consideration of your submitted documents and testimony, the Services & Activities Fee Committee agreed to recommend an allocation of **$301,156**. The recommendation was accepted by the Vice President for Student Life, Denzil Suite, and was approved by the Board of Regents during their May 14th meeting.

This year increases in requests were close to $1.4m more than our projected increase in revenue. Despite this, after careful consideration of the increasing demand for SVL's services, the Committee decided on an allocation representing a $18,269 increase over Fiscal Year 2026, reflecting SVL's full request for Wages & Benefits Increases and your partial request or Services Increases.

The Committee appreciates the time and effort you put into your budget request and presentation. The level of detail was very informative and helped to expedite the deliberations process. We also applaud your commitment to using our logo.

I understand that it can be disheartening to receive less than your full request, but we hope that your allocation allows you to continue serving students.

The Committee thanks you for your cooperation with the SAF process, and we hope to continue working together in the future. It has been a pleasure working with you, and I wish you the best.

Sincerely,

Haley Chee
