## EDUCATION

---

B.A. Psychology, Philosophy, *University of Washington* June 2022  
 3.87 GPA, Dean's Lists  
 Cum Laude  
 Psychology Departmental Honors  
 Philosophy Departmental Honors

## RESEARCH EXPERIENCE

---

**Lab Manager** August 2022 – Present

*Stereotypes, Identity, and Belonging Lab, Principal Investigator: Dr. Sapna Cheryan*  
*Department of Psychology, University of Washington*

- Plan and coordinate laboratory activities, meetings for scientific projects, updating budget sheets, developing and monitoring IRB applications
- Interview, manage, delegate tasks to 15+ research assistants
- Program and prepare experimental tasks and stimuli; troubleshoot and finalize Qualtrics surveys before launching studies online (Prolific, Amazon Mturk, CloudResearch), in-lab, and on-campus
- Analyze data using SPSS, R, Excel, complete data reports, proofread manuscripts, and quality check all tasks before turning in to the PI
- Guide undergraduate research projects on abstract writing, design, data collection, and analyses
- Collaborate with postdocs and graduate students in the lab on scientific projects
- Design and program lab wiki websites to increase usability using Github Pages, Obsidian, WordPress and was introduced to other labs and the Psychology department
- Automate the citation audit process using Python

**SPSP Social-Personality Undergraduate Research** February 2023 – Present

*Social Cognition for Social Change Lab, Principal Investigator: Dr. Erin Hennes*  
*Department of Psychology, University of Missouri*

- Collaborate on new research project with Dr. Erin Hennes and her graduate students
- Attend and contribute to lab meetings
- Attend and participate in professional development workshops

**Senior Research Assistant** June 2020 – July 2022

*Stereotypes, Identity, and Belonging Lab, Principal Investigator: Dr. Sapna Cheryan*  
*Department of Psychology, University of Washington*

- Conducted literature reviews, designed Qualtrics survey, and assist graduate students with manuscript reviews and data checking
- Collaborated and led a research group examining perception on workplace diversity and inclusion effort

- Prepared and submitted materials to IRB
- Gained proficiency and attention to detail in data checking and analysis through SPSS and R
- Attended and contributed to weekly lab meetings

**Research Coordinator**

January 2021 – June 2022

*Laboratory of Auditory Neuroscience and Development, Principal Investigator: Dr. Bonnie Lau  
Department of Otolaryngology/Head and Neck Surgery, University of Washington*

- Performed miscellaneous tasks, including ordering lab equipment and participant lists, training RAs, reserving testing booths, writing checks for participant
- Recruited and scheduled participants online and in-person for multiple projects
- Led a project on how children with ASD learn to hear speech and music in noisy environment
- Conduct hearing screening, EEG session, collected and entered data on REDCap
- Conducted and scored clinical assessment of language on children's subjects
- Collaborated different research projects with other graduate and undergraduate students

**Honors Thesis Student**

January 2021 – June 2022

*Laboratory of Auditory Neuroscience and Development, Advisor: Dr. Bonnie Lau  
Department of Otolaryngology/Head and Neck Surgery, University of Washington*

- Performed intensive readings and literature research for the research proposal
- Transcribed and analyzed longitudinal datasets of narrative storytelling and language production samples obtained from adults with and without autism spectrum disorder (ASD) and with and without fetal alcohol spectrum disorder (FASD)
- Self-learned SALT software for elicitation, transcription, and analysis of narrative samples
- Analyzed data using R

**MANUSCRIPT UNDER REVIEW**

---

**Pham, L. N. H.,** Lee, A. K.C., Estes, A., Dager, S., Thorne, J. C., Lau, B. (in prep) *Comparing narrative discourse in adults with autism and fetal alcohol syndrome disorders.*

**PRESENTATIONS**

---

**Pham, L.,** & Cheryan, S. *The impact of diversity and inclusion training on the need for workplace structural changes.* Society for Personality and Social Psychology Convention 2023, Atlanta, GA.

**Pham, L. N. H.** (May 2022). *Comparing narrative storytelling in adults with autism and fetal alcohol syndrome disorders.* 2022 University of Washington Honors Research Symposium, Seattle, WA.

**Pham, L. N. H.,** & Lau, B. (May 2022). *Comparing narrative storytelling in adults with autism and fetal alcohol syndrome disorders.* 2022 University of Washington Undergraduate Research Symposium, Seattle, WA.

**Pham, L. N. H.,** Reyes, J. R. L., & Sy, B. (May 2022). *The impact of diversity and inclusion training on the need for workplace structural changes.* 2022 University of Washington Undergraduate Research Symposium", Seattle, WA.

## AWARDS AND HONORS

---

Social-Personality Undergraduate Research 2023, <i>Society for Personality and Social Psychology, \$1500</i>	February 2023 – Present
- Mentor: Dr. Erin Hennes (Social Cognition of Social Change Lab)	
Annual Dean’s List	2019 – 2022
Quarterly Dean’s List	Winter 2019 - June 2022
UW Psychology Department Honors Program Student	Winter 2021 - June 2022
UW Philosophy Department Honors Program Student	Fall 2021 - June 2022

## SKILLS AND EXPERTISE

---

### Computer Skills:

- Proficiency in SPSS, Qualtrics, SALT, Microsoft Office, Google Suite, Github, WordPress

### Programming Language:

- Proficiency in Python, R, HTML/CSS, JavaScript

### Language Skills:

- Native fluency in Vietnamese

### Certifications:

- CITI Ethics Certification, June 22, 2020
- HIPAA Certification, January 7, 2021

## OTHER WORK EXPERIENCE

---

<b>Front Desk Student Assistant</b>	September 2021 – March 2022
<i>Department of Electrical and Computer Engineering, University of Washington, Seattle, WA</i>	
<ul style="list-style-type: none"> <li>- Managed reception desk by assisting and performing customer service to provide resources to all individuals entering the department</li> <li>- Performed data entry, organized physical and digital workspace, processed packages, filed paperwork</li> <li>- Worked closely and built relationships with faculties, graduate students, and staff by communicating updates, scheduling conference room, assisting with various miscellaneous tasks</li> </ul>	

<b>Academic Success Coach</b>	June 2020 – March 2022
<i>Undergraduate Academic Affairs, Academic Support Program, University of Washington, Seattle, WA</i>
