## Definition and Guiding Question

LESSON	LEARNING EPISODE
<p>For the purpose of this STARTALK template a <i>lesson</i> is defined as a single learning experience lasting no more than ninety minutes. Learning experiences occur both in the classroom and/or in other settings. Longer blocks of time will involve several learning episodes and lesson plans.</p>	<p>For the purpose of this STARTALK template a <i>learning episode</i> is defined as a learning experience that addresses a specific aspect of a learning target or can-do statement. Learning episodes typically provide a limited amount of input with time allowed for guided and independent practice. The amount of time allotted for a learning episode is approximately equivalent to the age of the learner and will rarely be more than twenty minutes.</p>

## Questions to Consider Before and During Lesson Planning

<p><b>Do the activities in the lesson</b></p> <ul style="list-style-type: none"> <li>▪ provide sufficient opportunities for understanding new words <u>before</u> expecting production?</li> <li>▪ provide multiple, varied opportunities for students to hear new words/expressions used in highly visualized contexts that make meaning transparent?</li> <li>▪ provide students with an authentic purpose for using words and phrases?</li> <li>▪ engage <u>all</u> students (as opposed to just one or two students at a time)?</li> <li>▪ give students a reason for needing to/wanting to pay attention and be on task?</li> <li>▪ vary in the level of intensity and the amount of physical movement required?</li> <li>▪ take an appropriate amount of time considering the age of the learner?</li> <li>▪ make the learner, not the teacher, the active participant?</li> </ul>
