2012 TRIO Quest Activities

DIGIMEDIA
(Like Media Quest)

An activity for ALL TRIO students that involves creating original short video productions that are uploaded to the web. DigiMedia teaches students how to use multimedia for creative purposes, to present information, and/or to support the presentation of research.

DIGISITES
(Like TRIO Sites and TRIO ThinkQuest)

An educational web content competition for ALL TRIO students. Students work individually or collaboratively in teams to create high quality, innovative and content-rich educational Web sites that meet high standards of intellectual honesty.

DIGITEXT
(Like PhotoEssay)

A short, simple, creative activity for ALL TRIO students that introduces students to the compelling interaction possible between text and images and encourages research, reflection, and creative expression.
