

UW AUTISM CENTER
UNIVERSITY of WASHINGTON

Autism, Adolescence, and Puberty

The **UW Autism Center** is excited to present a workshop for **parents, teachers, and providers** to learn practical strategies to help guide individuals with ASD through adolescence and puberty.

Wednesday, November 8, 2017

In this workshop, participants will learn how adolescence and puberty impacts individuals with ASD. Participants will learn ways to talk about the challenges of adolescence and puberty as well as strategies for parents and providers to use with their own children and students.

Participants will learn:

- How adolescence and puberty is different for individuals with ASD
- How to talk about puberty
- Concrete strategies to help children/students understand the changes in adolescence and puberty

WHEN:

Wednesday, November 8, 2017
9:00 AM – 1:00 PM

WHERE:

UW Tacoma Campus
Cherry Parkes Building
Room 338A
