DRIVING DIRECTIONS

From Interstate 5: Take the N.E. 45th Street Exit (Exit # 169), located north of downtown Seattle. Head east at the end of the exit ramp onto NE 45th Street for half a mile and turn right onto 15th Avenue NE. Take 15th Avenue all the way down to the water (stay in the right lane to avoid turning left onto Pacific Avenue). Once you cross Pacific Street, 15th Avenue curves to the left, and brings you to the S1 parking gatehouse entrance. The entrance to the Portage Bay Building is located on the middle (M) level of S1 at the far end, south of the lot.

From Route 520: Take the Montlake Boulevard Exit and head north across the Montlake bridge. Just after you cross the bridge, turn left onto NE Pacific Street and drive past the UW Medical Center (on your left). Turn left onto 15th Avenue NE and continue as it curves left, until you get to the S1 parking gatehouse entrance. The entrance to the Portage Bay Building is located on the middle (M) level of S1 at the far end, south of the lot.

PARKING

- Stop at the gatehouse entrance to the S1 parking lot to purchase a parking pass.
- Gatehouse permits are sold via a pay-on-entry system. When you purchase a permit at a gatehouse, you'll be asked how long you will be on campus, and you will pay for that amount of time in advance. Your permit will show an expiration time. After that time, the vehicle will be subject to a citation.
- Between 6am and 4pm on weekdays, gatehouse permits are sold at a rate of \$3.00 per hour and a maximum of \$15.00 per day. Beginning at 4pm permits are sold at a flat rate of \$5.00 for night parking.
- When asked how long you will be on campus please round up to the closest hour and be sure to consider time needed to travel to and from the parking lot and destination building.
- ★ **Leave the parking permit on the dashboard of your car when you come in for your visit.**
- *In the event that the S1 parking lot is full, the gatehouse attendant will direct you to other options.*

**If you need disability accommodations, please advise the parking attendant.*

PUBLIC TRANSPORTATION

We can be accessed by public transportation including Metro buses that drop off in front of the UW Medical Center and the Light Rail that stops at the University of Washington Station. To use the King Co. Metro Trip Planner (<http://tripplanner.kingcounty.gov/>), enter "University of Washington Medical Center" as your destination.

ENTERING THE PORTAGE BAY BUILDING

The **Portage Bay (PB) Building** is a red brick (two ends) and gray (center) building just **south of the S1** parking lot on the middle (M) level of S1. The UWAC is located on the west wing of the building. If you are facing south, towards the lake and away from the UW Medical Center, the UWAC is on the right end of the building.
