Create your account OR sign in to register for this class.

Social Skills (1/2 day) - The "unspoken" rules governing social skills are quite challenging for individuals with ASD. Participants will learn about assessing and teaching social skills to increase successful social interactions for individuals with ASD.

Emotion Regulation (1/2 day) - Individuals with autism spectrum disorder (ASD) often experience amplified emotional responses and poor emotional control. Learning strategies to regulate emotions can decrease the occurrence of challenging behaviors and anxiety.

If You Have Any Questions:

- Contact Dianna Avery at davery@esd113.org

Occasionally a participant requests to withdraw from a class. In those instances, the ESD 113 guidelines for refunds are as follows:

- A full refund will be granted if ESD 113 cancels the course/workshop.
- A full refund will be granted upon participant withdrawal up to five business days prior to the start of the event.
- Within five business days prior to the start of the event, the participant will receive a refund of the registration fee, less a \$15 service charge.
- No refund will be granted for withdrawals the day of or after the first session of the event.*

* To request an exception of this policy, contact Capital Region ESD 113 at 360-464-6700.
