

## Accommodations Close to UW Autism Center

Dear Workshop Participants,

Thank you so much for signing up for the workshop/training provided by the University of Washington Autism Center (UWAC). The training will take place at the UWAC, located behind the UW Medical Center.

If you are looking into accommodations, below are a few hotels that are fairly close to the UWAC and are preferred contracted vendors of the University of Washington. Guests of the UW may be able to access UW contracted rates. We suggest that you also check for special seasonal rates offered by these hotels to the general public, as the special rates may be lower than UW contract rates during down seasons. Some hotels may also provide shuttle service that drops you off in front of the UW Medical Center. We look forward to seeing you at the workshop!

Residence Inn (Seattle University District)

<http://www.marriott.com/hotels/travel/seaud-residence-inn-seattle-university-district/>

\*Call front desk and explain that you are a guest of and will be attending a training at the UW and would like to know how to access discounted rate.

Silver Cloud Inn (University District)

<http://www.silvercloud.com/university/>

\*To access UW rates, book your reservation online at this [UW Autism Center](#) link or call hotel directly and ask for the UW Autism Center rates.

Watertown Hotel (Seattle)

<http://www.watertownseattle.com/>

\*Call front desk and explain that you are a guest of and will be attending a training at the UW and would like to know how to access discounted rate.

University Inn (Seattle)

<https://www.staypineapple.com/university-inn-seattle-wa>

\*Call front desk and explain that you are a guest of and will be attending a training at the UW and would like to know how to access discounted rate.

Sincerely,

Lena Tsui, M.A.
