ADOS-2 Workshops

**Introductory Clinical Workshop**
March 23-24, 2020, 9:00AM – 4:00PM  
UWAC - Seattle  
$530 per person

Two-day introductory training on how to administer and score the Autism Diagnostic Observation Schedule (ADOS-2) modules 1-4 and a prerequisite for the Toddler Module Workshop and Advanced Research Workshop. Two live demonstrations and in-depth coding discussions will be provided at the training.

**Toddler Module Workshop**
March 25, 2020, 9:00AM – 4:00PM  
UWAC - Seattle  
$265 per person

One-day workshop for professionals seeking further training for developing clinical competence using the ADOS-2 with toddlers. Reviews the administration, scoring and coding guidelines in a lecture, demonstration, and group discussion format.

**Advanced Research Workshop**
March 26-27, 2020, 9:00AM – 4:00PM  
UWAC - Seattle  
$2045 per person

Two-day workshop for professionals who want to further their clinical competence with the ADOS-2 and/or work towards establishing research levels of reliability on administration and coding standards. Participants will work with our experienced instructor and have the opportunity to practice administering and scoring the ADOS-2 modules.
