## Zoom Teacher Cohort

**What content will be covered:** Participants can expect to build a community that will support their professional development as well as share with and learn from other educators. In addition, participants will have the opportunity to collaboratively problem solve common classroom challenges and build their knowledge of students with ASD.

The first two meetings will cover Classroom Environment and Arrangement and Classroom Strategies to Promote Positive Behaviors. From there topics will be determined based on interest from the group. These topics could include: Creating Independent Work Systems, Implementing Independent and Group Contingencies to Support Positive Behavior, Effective Visual Supports, Increasing Compliance with Routines, Making Groups Meaningful.

**Who should attend:** Special education teachers of self-contained elementary school classrooms with some students with autism. Desire to learn additional strategies and foster community with other educators around the state of WA.

**Content level:** Intermediate

**Clock hours:** 7.5 WA State OSPI clock hours included with registration
