

ADOS-2 Workshops

(Virtual)

Introductory Clinical Workshop

October 18-19, 2021, 9:00 AM-5:30 PM PT

Online Webinar

\$510 per person

- * **\$20 off** for registrations received by 9/20
- * **10% off** for groups of 5 or more

Virtual two-day introductory training on how to administer and score the Autism Diagnostic Observation Schedule (ADOS-2) modules 1-4 and a prerequisite for the Toddler Module Workshop and Advanced Research Workshop. Two video samples and in-depth coding discussions will be provided at the training.

Clock Hours: This workshop, when attended in full, offers 14 WA State approved clock hours. We are not approved providers for any other CEUs.

To register, visit <https://cvent.me/XnaBrG>.

Toddler Module Workshop

October 20, 2021, 9:00 AM-4:30 PM PT

Online Webinar

\$260 per person

- * **\$20 off** for registrations received 9/22
- * **10% off** for groups of 5 or more

Virtual one-day workshop for professionals seeking further training for developing clinical competence using the ADOS-2 with toddlers. Reviews the administration, scoring and coding guidelines in a lecture, demonstration, and group discussion format.

Clock Hours: This workshop, when attended in full, offers 6.5 WA State approved clock hours for an additional fee. We are not approved providers for any other CEUs.

To register, visit <https://cvent.me/yqElZr>.
