

ADOS-2 Workshops

Introductory Clinical Workshop

September 19-20, 2022, 9:00 AM-4:30 PM PT

UW Seattle

\$600 per person (\$580 if registered by August 22)

***10% off for groups of 5 or more**

Two-day introductory training on how to administer and score the Autism Diagnostic Observation Schedule (ADOS-2) modules 1-4 and a prerequisite for the Toddler Module Workshop and Advanced Research Workshop. Two live demonstrations and in-depth coding discussions will be provided at the training.

Toddler Module Workshop

September 21, 2022, 9:00 AM-4:30 PM PT

UW Seattle

\$300 per person (\$280 if registered by August 24)

***10\$ off for groups of 5 or more**

One-day workshop for professionals seeking further training for developing clinical competence using the ADOS-2 with toddlers. Reviews the administration, scoring and coding guidelines in a lecture, demonstration, and group discussion format.

Advanced Research Workshop

September 22-23, 2022, 9:00 AM-4:30 PM PT

UW Seattle

\$2215 per person (\$2195 if registered by August 25)

***10% off for groups of 5 or more**

Two-day workshop for professionals who want to further their clinical competence with the ADOS-2 and/or work towards establishing research levels of reliability on administration and coding standards. Participants will work with our experienced instructor and have the opportunity to practice administering and scoring the ADOS-2 modules.
