NAVIGATING THE TO DO LIST AFTER YOUR CHILD’S AUTISM DIAGNOSIS

Parents will learn about four strategies designed to impact their child’s development and have a chance to discuss recommendations on their child’s diagnostic report, ask questions, and build community with other parents.

What: 4 weekly online meetings

Who: Parents who have recently had a young child (under 3) diagnosed with autism

Where: Online, via Zoom web conferencing

CREATED BY “ON-TIME AUTISM PROJECT”
