

Hanen Programs[®] at UWAC

The **UW Autism Center** is excited to offer **Hanen Programs** lead by a certified Hanen Speech-Language Pathologist. **More Than Words[®]** and **TalkAbility[™]** are evidence based programs specifically designed for parents of children with Autism Spectrum Disorder and other social communication difficulties. These programs provide parents with practical strategies to build communication and social interactions in the child's everyday routines and play.

WHAT

MTW: 8 group parent training sessions
4 individual sessions

TalkAbility: 16 group parent training sessions
4 individual sessions

WHEN and WHERE

Tuesdays 5-7:30pm on Zoom
*60 minute individual sessions
scheduled separately

COST

MTW: \$345 fee for group sessions.
TalkAbility: \$476 fee for group sessions
Need-based scholarships are available
to cover up to 80% of the cost.

More Than Words[®]

- Children under the age of 6 with communication difficulties
- *More Than Words* targets supporting children in communication and play in their everyday environment

TalkAbility[™]

- Verbal children ages 4-8 with social communication difficulties
- *TalkAbility* is designed for parents of verbal children with social communication difficulties. *TalkAbility* strategies help to build skills in:
 - Perspective taking
 - Nonverbal communication
 - Increasing conversations with adults and peers
 - Friendship
