

YOUR DONATION TO APEX

Donations to APEX Summer Camp will directly support our campers and staff.

If there is a certain portion of the camp experience that you would like to contribute, we will ensure that your donation is distributed based on your wishes!

Your generous donation to our life-changing program ensures that neurodiverse children and their families receive the highest quality care. Together, we can give children the gift of growing into their most authentic selves.

\$50 Donation

Would support camper access to new materials (books, interventions, activities) on social skill, emotion regulation, and other support

\$100 Donation

Would support two weeks worth of creative materials for campers to explore their talents and creativity

\$500 Donation

Would support 4-weeks of snacks and refreshments for our exceptionally hard working APEX staff

\$4950 Donation

Would support an entire summer of APEX for one camper to experience the joy and skill development that APEX provides for all

THANK YOU
