

2014 International Symposium on Optomechatronic Technologies (ISOT 2014)

November 5-7, 2014, Hotel Deca, Seattle, Washington

Sponsor and Exhibitor Opportunities

Please join us at ISOT 2014! The Symposium will be held November 5-7, 2014 at the Hotel Deca in Seattle, Washington.

ISOT 2014 will provide researchers and engineers with a great opportunity to present and discuss the latest research results, accomplishments, developments, and future directions in the integrated fields of optics and mechatronics technologies.

General Inquiries should be directed to Ben Estroff, 206-965-0304, isot2014@u.washington.edu or Marv Jane Shirakawa. 206-221-3936. isot2014@u.washington.edu

Why Participate?

- Support the world's largest, most comprehensive technical symposium focused on Optomechatronics, and learn about cutting-edge research in this exciting field.
- Advertise your products, services, and research positions to a key audience of international scholars and practitioners in the field of Optomechatronics.
- Present research to peers from industry and academia.
- Network, interact, and consult during daily refreshment breaks served in the sponsor/exhibit area.
