## Thoughts & Actions:

## An Exercise for Parents

| Situation | Cognitive | Affective | Behavioral |
|-----------|-----------|-----------|------------|
|           |           |           |            |
|           |           |           |            |
|           |           |           |            |
|           |           |           |            |
|           |           |           |            |
|           |           |           |            |
|           |           |           |            |
|           |           |           |            |
