

WE ARE HIRING!

We have an outstanding opportunity at the Harborview Abuse & Trauma Center, a program of Harborview Medical Center's Department of Social Work. Our mission is to prevent and treat the harmful effects of traumatic experiences on survivors, families and communities. We strive to serve the broader community through leadership, prevention, research, community and professional education, and public policy advocacy.

All across UW Medicine, our employees collaborate to perform the highest quality work with integrity and compassion and to create a respectful, welcoming environment where every patient, family, student and colleague is valued and honored.

HATC is a program of UW Medicine at Harborview Medical Center. HATC is an affirmative action, equal opportunity employer. We enthusiastically welcome applicants of diverse backgrounds, including women, LGBTQ+, BIPOC, people with diverse abilities, people of all sizes and other historically marginalized identities. HATC is dedicated to creating a culturally inclusive workplace where all people are welcome and celebrated.
