## ADULT SURVIVORS OF CHILDHOOD SEXUAL ABUSE: BEFORE AND AFTER #METOO

**Dr. Rosenna Bakari**

Owner, Seven Exits

This presentation delves into the complex journey of healing from childhood sexual abuse, a burden many carry in silence for decades, often not addressing it until their 40s or beyond. We will explore the emotional, psychological, and societal barriers that perpetuate silence and how healthcare systems can help survivors navigate the path to empowerment and self-discovery.
