## SCHOOL-BASED THREAT ASSESSMENT: SALEM-KEIZER CASCADE MODEL APPROACH TO PREVENTING AND RESPONDING TO SCHOOL VIOLENCE

**Sarah Menard**

Threat Assessment Consultant, PSESD

&

**Lawrence Davis**

Regional School Safety Program Manager, PSESD

Sarah Menard (she/her) and Lawrence Davis (he/him) join us from Puget Sound Educational Service District (PSESD) to present *School-based Threat Assessment: Salem-Keizer Cascade Model Approach to Preventing and Responding to School Violence*. This training will explore the key components of school-based threat assessments in Washington State. Topics will include an overview of HB 1216 and its implications for schools; when to initiate a threat assessment and identifying appropriate situations; common risk factors and warning signs to watch for; steps to take after completing a threat assessment; elements of an effective safety plan; & making appropriate community referrals for ongoing support and intervention. By the end of this training, participants will have a clearer understanding of how to support school safety through proactive, legally compliant, and student-centered threat assessment practices.
