

Evaluating EHE Implementation Workshop

- 2 ½ day in-person workshop on program evaluation, with a focus on implementation science methods
- Opportunity for continuing education and peer learning tailored to EHE evaluators at local and state health departments
- By the end of the workshop, participants will have prepared a mixed-methods evaluation plan to assess the implementation of an EHE activity in their jurisdiction

WHEN: MAY 1 - MAY 3, 2024

WHERE: SEATTLE, WA

Apply by Jan.
26th here!
