

UW HEALTH SCIENCES – IPE ACTIVITIES

Center for Health Science Interprofessional Education, Research and Practice (CHSIERP)

www.collaborate.uw.edu

Charge: promote curriculum and clinical innovations in interprofessional education and collaborative practice across the health sciences schools; provide the infrastructure for catalyzing interprofessional health professions training initiatives and faculty development; and conduct evaluative research regarding the impact of health professions interprofessional innovations on students, faculty, providers and the health of the public. Two faculty appointed by Board of Health Science Deans	
Member	School/Organization
Nanci Murphy, PharmD, RPh, center co-director	Pharmacy
Brenda Zierler, PhD, RN, FAAN, center co-director	Nursing
Pamela Mitchell, PhD, CNRN, FAAN; Founding and past director	Nursing
Debra Liner, program operations specialist	Nursing - Administrator
Erin Abu-Rish, graduate student research associate	RA – PhD Student
Chia-Ju Chiu, graduate student research associate	RA – Physical Therapist, PhD Student
Emily Malik, graduate student research assistant	RA - Speech Pathology, masters' student
Laurel Barchet, research coordinator	Staff – biology major, also BSN (hourly)
Qian Tu, graduate student research associate	RA – PhD (international student from Taiwan)
IHI Open School – Student Rep to website	

CHSIERP Advisory Committee (working with Dave Anderson and Chair of Board of Deans to determine Members and Scope for this broad-based all health sciences committee that will represent academia/practice, student groups, service learning, health sciences administration and HS Library. Should be determined by August 1, 2013)

Charge: (Updating from original appointments)	
Current Members	School
Nanci Murphy	Pharmacy
Brenda Zierler	ISIS, Nursing
Faculty & Staff representatives from all 6 schools	TBA
Practitioner representatives from community	TBA
Health Sciences Administrative Representatives	TBA
HS Library representative	TBA
Service Learning Representatives (faculty/staff)	TBA
ISIS Representatives	TBA
SoM Faculty Development Representative	TBA
IHI Open School Chapter Representative	TBA
Service Learning Student Representative	TBA
Others	TBA

2012-2014 – UW Board of HS Deans Appoint IPE Steering Committee

IPE Implementation Committee (an initial IPE Vision Committee was appointed 2011-2012).	
Charge: The IPE Steering Committee is currently in the planning phase to launch IPE pilot programs, and is made up of 4 sub-committees:	
Name	School

Dave Anderson	HS Administration, Chair
Bob Ennes	HS Administration
Brenda Zierler	CHSIERP, IPE Faculty Scholar
Christene James	Pharmacy
Jennifer Danielson	Pharmacy
Eric Hausman	Nursing
Sarah Shannon	Nursing
Jill Morelli	Medicine
Marjorie Wenrich	Medicine
Jean Garber	Dentistry
Wendy Mouradian	Dentistry
Lawrie Robertson	Public Health
Steve Gloyd	Public Health
Susan Kemp	Social Work
Vicki Anderson-Ellis	Social Work

2012-2014 - IPE Steering Committee: Subcommittees

Curriculum Model and Metrics

Charge: developing, approving, implementing, and evaluating faculty and student-generated IPE innovations across the Health Sciences through shared IPE curricular models

Member	School
Sarah Shannon, Chair	Nursing
Marjorie Wenrich	Medicine
Wendy Mouradian	Dentistry
Jennifer Danielson	Pharmacy
Susan Kemp	Social Work
Steve Gloyd	Public Health
Brenda Zierler	CHSIERP, IPE Faculty Scholar
Karen McDonough	Medicine

Governance Model

Charge: develop an effective governance structure supporting IPE Initiative using a shared, equitable model

Member	School
Dave Anderson, Chair	Health Sciences Administration
Christene James	Pharmacy
Jean Garber	Dentistry
Brenda Zierler	CHSIERP, IPE Faculty Scholar
Eric Hausman	Nursing
Ellen Cosgrove	Medicine
Dave Green	Medicine
Vicki Anderson-Ellis	School of Social Work

Facilities

Charge: to provide the foundation and specifics for needed facilities to first pilot IPE concepts, then fully implement IPE

Member	School
Bob Ennes, Chair	Health Sciences Administration
Christene James	Pharmacy
Lawrie Robertson	Public Health
Jill Morelli	Medicine
Eric Hausman	Nursing
Vicki Anderson-Ellis	Social Work
Randy Jackson	Dentistry
Brenda Zierler	CHSIERP, IPE Faculty Scholar

Communications

Charge: sustained effort to inform and engage a broad range of stakeholders– students, faculty, staff, campus, community partners and the served public – throughout the Interprofessional Education Initiative’s implementation.

Member	School
Lawrie Robertson, Chair	Public Health
Clarence Spigner	Public Health
Vicki Anderson-Ellis	Social Work
Steve Steinberg	Dentistry
Marjorie Wenrich	Medicine
Brenda Zierler	CHSIERP, IPE Faculty Scholar

2013 – 2015: IPE Faculty Scholar appointed by the Health Sciences Board of Deans

Charge: effective February 1, 2013, this is a two year appointment designed to provide leadership and scholarship in IPE while our IPE Steering Committee and Health Sciences Deans further develop the future governance structures and leadership for IPE. Appointed to Governance Committee but asked to participate as much as possible in other committees.

Member	School
Brenda K. Zierler, PhD, RN, FAAN, inaugural IPE Faculty Scholar	Nursing

2011 – 2012: IPE Teaching Scholars (2013: these faculty are involved in developing and integrating IPE on committees and grants)

Charge: to leverage existing Faculty Development resources and infrastructure and create an intentional venue for peer learning about IPE. Scholars teach each other, with guidance from Program Director Lynne Robins, Co-Director Jan Carline, and the interprofessional UW Macy Grant Team faculty.

Member	School
Colleen Catalano, PharmD	Pharmacy
Donald L. Chi, DDS, PhD	Dentistry
Lauren Cline, RN, MN	Nursing
Heather Davidson, MD	Medicine
Jennifer Danielson, PharmD	Pharmacy
Gail Johnson, DNP, ARNP	Nursing
Sun-Jung Lim, MD	Medicine
Mayumi Willgerodt, PhD, MPH, MS, RN	Nursing

Health Sciences Service Learning Committee

Charge: to provide a structured learning experiences for students that combine community service with preparation and reflection. Students engaged in service-learning provide community service in response to community-identified concerns and learn about the context in which service is provided, the connection between their service and their academic coursework, and their roles as citizens.

Lead Members	School
Lauren Henricksen	Medicine
Richard Arnold, MD	Medicine

This group has faculty, student and staff members from all 6 health science schools engaged in the many activities related to service learning.

UW Medicine IPE

Institute for Simulation and Interprofessional Studies

Mission: The Institute for Simulation and Interprofessional Studies (ISIS) has, as its primary goal, to provide leadership in the use of simulation technologies to improve the quality of healthcare education and improve patient safety and outcomes.

Executive Leadership	School
Carlos Pellegrini, Chair of Board	Medicine
Brian Ross, Executive Director	Medicine
Sara Kim, Director of Educational Innovations and Strategic Programs	
Farrah Leland, Assistant Director	UW Medicine
Richard Satava, Senior Executive Advisor	Medicine
Mika Sinanan, Chair of Research & Development Committee	Medicine
Brenda Zierler, Associate Director & Chair of the Interprofessional Education & Practice Committee	Nursing, CHISERP

UW HEALTH SCIENCE STUDENT GROUPS

IHI Open School - UW Chapter (Chapter started in 2009, started by Erin Abu-Rish)

Charge: provide opportunities for health science students to collaborate and learn more about quality improvement in healthcare; create a more intimate health sciences community among students at the University of Washington and surrounding healthcare community; increase awareness and understanding of the principles of patient safety and quality improvement in healthcare; and prepare UW health sciences students to enter the workforce as teammates rather than autonomous individuals.

Member	School
Maria Islam-Meredith, President	Pharmacy
Rebecca Fischer, VP Administration	Health Administration, Public Health
Daniel Oh, VP Marketing/communications	Medicine
Hannah DeMeritt, VP, Programs	Pharmacy
Martina Tam, VP External Affairs	Medicine
Sophia Masi, VP Projects	Medicine
Jennifer Danielson, PharmD, faculty advisor	Pharmacy
Chris Johnson, faculty advisor	Health Administration

Karen McDonough, MD, faculty advisor	Medicine
David Masuda, faculty advisor	Health Administration
Nanci Murphy, founding faculty advisor	Pharmacy
Linda Vorvick, faculty advisor	MEDEX
Ed Walker, faculty advisor	Health Administration
Andrew White, faculty advisor	Medicine
Mayumi Willgerodt, PhD, MPH, MS, RN, faculty advisor	Nursing
Brenda Zierler, PhD, RN, FAAN, founding faculty advisor	Nursing

Community Health Advancement Program (CHAP) School of Medicine, Department of Family Medicine

Charge: to provide student-initiated and directed, extracurricular community direct service projects, educational programs and a seminar series addressing the health needs of underserved communities. Students design, plan, implement, staff and evaluate these programs, with assistance, guidance and support from staff and faculty in the Department of Family Medicine and from partnering community organizations.	
Member	School
Rachel Lazzar, MSW, program coordinator	Medicine
Frederica Overstreet, MD, MPH, faculty advisor	Medicine

Global Health Group (GHG)

Charge: student-run interest group at the University of Washington that promotes long-term careers in the service of disadvantaged populations worldwide through educational activities and the development of reciprocal international research and clinical opportunities with our overseas global health partners.	
Member	School
Rebecca Chohlas-Wood	(no info available)
Amanda Hu	(no info available)
Michele Lam	(no info available)

Neli Mottey	(no info available)
Anna Walton, vice chair	(no info available)
Raima Amin, secretary	(no info available)
Brianne Rowan, education chair	(no info available)
Erica Gadzik, social chair	(no info available)

Health Equity Circle

Charge: an interdisciplinary organization of University of Washington students and community members focused on creating Health Equity in an interdisciplinary setting, educating students and community members about Health Equity, and taking action on Health Equity issues through developing relationships on campus and in the larger community.	
Member	School
James Bernhardt, lead organizer	(no info available)
Erin Cooley, lead organizer	(no info available)
Elizabeth Clark, lead organizer	(no info available)
Jacob Connell, co-chair access to healthcare	(no info available)
Parhum Namdaran, co-chair access to healthcare	(no info available)

Kelly Shontell, co-chair race/cultural disparities in health	(no info available)
Denise Della, co-chair race/cultural disparities in health	(no info available)
Stephanie Lin, co-chair immigrant/rural health	(no info available)
Faezah Talebi-Liasi, co-chair immigrant/rural health	(no info available)
James Chiang, co-chair food security	(no info available)
Arshiya Quadri, co-chair food security	(no info available)

SCHOOL RELATED ACTIVITIES

UW School of Medicine Center for Medical Education

Mission: The Center's mission is to advance and support medical education and educators at the UW School of Medicine and throughout the WWAMI region. Leads and Advisors are listed below. The Center is being led by Drs. Michael Ryan and Sara Kim and Marj Wenrich.

Core Areas	Core Leads
Curriculum development/instructional design:	Susan Johnston, Julianne McNalley
Student testing and evaluation:	Jan Carline
Outcomes assessment:	Jon Ilgen, Molly Jackson
Faculty development:	Lynne Robins & Chris Surawicz
Leadership and scholarship:	Sara Kim
Interprofessional education:	Brenda Zierler & Karen McDonough
Educational technology:	Michael Campion
Advisors	
Ellen Cosgrove	Medicine
Suzanne Allen	Medicine
Tania Bardyn	HS Library
Carol MacLaren	Medicine
Marj Wenrich	Medicine

**UW
School
of
Medicine**

Communication and Interprofessional Education Committee

Charge: making recommendations to Ellen Cosgrove, the vice dean for academic affairs and the Curriculum Renewal Committee related to curricular approaches to developing communication skills with patients, families and other members of the healthcare team and the community and curricular approaches to fostering teamwork with the entire healthcare team.

Member	School
Patch Dellinger	Surgery
Peter Esselman, committee chair	Rehabilitation Medicine
Katherine Glass	Medical Student
Kirsten Hansenday	Medical Student
Eliza Hutchinson	Medical Student
David Masuda	Medical Education
Larry Mauksch	Family Medicine
Ruth McDonald	Pediatrics
Karen McDonough	Medicine

Lisa McIntyre	Surgery
Kitte Miller	Physical Therapy student
Wendy Mouradian	Dentistry
Linda Pinsky	Medicine
Julia Reece	Medical Student
Brian Ross	Anesthesiology, ISIS
Peggy Schlesinger	Pediatrics
Mick Storck	Psychiatry
Jenny Struijk	Health Sciences Academic Services and Facilities
Renata Urban	Obstetrics and Gynecology
Linda Vorvik	MedEx Program
Brenda Zierler	Nursing, ISIS CHISERP

Interdisciplinary Qualitative Research Group (IQRG) School of Social Work

Charge: to conduct brief early interventions with youth and adults struggling with behavioral issues, but who have not yet accessed relevant services. Our projects assess the effectiveness of innovative and accessible means to impact behavior change or reduce barriers to the delivery of effective social and mental health services.

Member	School
Lyungai Mbilinyi, MPH, PhD, co-director of IPRG	Social Work
Denise Walker, PhD, co-director of IPRG	Social Work
Joan Zegree, PhD, faculty	Social Work
Debra Kaysen, PhD, faculty	Medicine, Dept of Psychiatry and Behavioral Sciences
Roger Roffman, DSW, previous director of IPRG, professor emeritus	Social Work (retired)

Intergroup Dialogue, Education and Action (IDEA) Training & Resource Institute School of Social Work

Charge: to build connections with others, increase critical consciousness about social inequalities, engender commitments to social justice, and develop competencies to interrupt social injustices and engage in social change. The mission of the Center has now expanded to supporting campus and community efforts geared toward addressing issues of oppression, empowerment, and alliance building for social justice.

Member	School
Biren (Ratnesh) A. Nagda, PhD, MSW, director of IDEA center	Social Work
Sue Sohng, PhD, MSW, IDEA faculty	Social Work
Eddie Uehara, PhD, MSW, dean school of social work	Social Work
Stan de Mello, MSW, MPA, IDEA faculty	Social Work
Amelia Seraphia Derr, MSW, IDEA faculty	Social Work

Medical Ethics Discussion for Interdisciplinary Collaboration (MEDIC at UW) School of Medicine

Charge: student-led organization to promote an environment where bioethics and medical policy can be deliberated within the undergraduate student body at the University of Washington. It aims to increase the awareness and importance of rational and ethical reasoning for those who are pursuing a

career in medicine and the biomedical sciences as well as to provide insight for the general public into the diverse influences of health outcomes.

Member	School
Michelle Drews	(no info available)
Vishu Anekonda	(no info available)
Claire Simon	(no info available)
Zach Simon	(no info available)
Ceri Weber	(no info available)
Jack W. Berryman, PhD, faculty advisor	Medicine (Dept of Bioethics and Humanities)

GRANT ACTIVITIES RELATED TO IPE

ANE Grant IPE Committees HRSA-funded (Zierler, Brenda – PI) 2012-2015

IPE Curricular Core Committee

Charge: to 1) ensure integration of IPE competencies in courses, IPE events, and service learning opportunities (SLOs), 2) liaison with curricular committee leads across 6 health professional schools, and 3) advise on appropriate pedagogical approaches for IPE learning.

Member	School/Organization
Colleen Catalano, PharmD, lead	Pharmacy
Peggy Odegard, PharmD	Pharmacy
Gail Johnson, DNP	Nursing – advanced practice
Linda Vorvick, MD	MEDEX, Family Medicine
Mayumi Willgerodt, PhD	Nursing – pediatrics/oral health
Doug Brock, PhD	MEDEX, Family Medicine
Skye McKennon, PharmD	Pharmacy
Donald Chi, DDS, PhD	Public Health Dentistry
Jennifer Sonney, DNP	Nursing – pediatric advanced practice
Taryn Lindhorst, PhD	Social Work – focuses on health disparities
Brenda Zierler, PhD	CHSIERP

Operations Team

Charge: meet weekly to 1) track grant objectives, 2) oversee and update the IPE collaborative website (<http://collaborate.uw.edu>), 3) track student and faculty trainees, and 4) oversee student MU/rural site placements.

Member	School/Organization
Brenda Zierler, project director and chair	CHSIERP
Debra Liner, program operations specialist	CHSIERP
Laurel Barchet, hourly staff	CHSIERP
Chia-Ju Chiu, RA	CHSIERP
Erin Abu-Rish, RA	CHSIERP
Emily Malik, RA	CHSIERP
Qian, Tu, RA	CHSIERP

Technology Core Team

Charge: to 1) ensure integration of learner and patient centered technologies into courses, 2) advise on appropriate technological approaches for IPE learning and 3) assist in faculty development training on

technology use.	
Member	School
David Masuda, MD	Public Health and Medical Education
Debra Liner, BS	CHSIERP
Laurel Barchet, BSN	CHSIERP
Ashley Bond	TIER, School of Nursing
Jasper	TIER, School of Nursing

Evaluation Core Team	
Charge: to 1) coordinate evaluation around courses and events—knowledge, skills and attitude among individuals, teams, patients and faculty 2) coordinate evaluation of proposed project as a model for IPE education, and 3) track faculty time and effort, and learner “doses” and pattern.	
Member	School
Mayumi Willgerodt, PhD, MPH, MS, RN, co-lead	Nursing
Erin Abu-Rish, RN, research associate	Nursing
Peggy Odegard, PharmD, BCPS, FASCP, CDE	Pharmacy
Douglas Brock, PhD, co-lead	Medicine (MEDEX)
Debra Liner, program operations specialist	Nursing
Brenda Zierler, PhD, RN, FAAN (PI)	Nursing

There are many more grant-related and topic-related IPE Activities, including:

Palliative Care Center

Telepain Center

Ethics Groups

Some of the individual schools have their own IPE subcommittees

Team-based care in primary care centers

TEAMSTEPPS Training across health system
