

Universities attended for PhD

University of Washington Biochemistry
University of Washington Microbiology
Univ South FL
University of Washington MCB
Washington University, St. Louis
University of Conn
University of Colorado Anschutz Medical Campus
Carnegie Mellon
Cornell
Mount Sinai New York
Dana-Farber Cancer Institute
University of Washington - School of Medicine
University of Wisconsin-Madison Biochemistry
Cornell Biomedical Engineering
University of Pennsylvania School of Medicine
University of Colorado Boulder Computer Science
University of Washington Pathobiology
UW Molecular Medicine and Mechanisms of Disease

Universities attended for Masters

UC Berkeley
University of Washington Chemistry,
University of Chicago
John Hopkins University Public Health
Public Health Iowa

Still in Graduate school

University of Colorado Medical School, Cancer Biology
UCLA, MCB
University of Washington, Pathobiology
Boston University, Bioinformatics
University of Colorado Denver, Immunology
John Hopkins University, Immunology
Stanford University, Biochemistry
University of Washington, M3D Program
University of Miami Medical School
Tufts University, Microbiology
University of Colorado, Denver
Rockefeller University
Yale University, Interdisciplinary Neurosciences
UCSF Neuroscience Program

University of Washington, Molecular Cellular Biology
 University of Washington, Immunology
 University of Wisconsin, Virology
 Yale University Microbiology
 University of Massachusetts
 Albert Einstein College of Medicine, Microbiology/Immunology
 University of Michigan
 University of Oregon
 University of Wisconsin
 University of Texas Health Science Center
 University of North Carolina, Chapel Hill
 UC Santa Cruz

Class Year	#Students	Science Related*	Non-science*	Outcome unknown
2011	6	3		3
2012	6	1		5
2013	7	6		1
2014	9	4	2	3
2015	7	4	1	2
2016	7	4		3
2017	6	5	1	
2018	6	6		
2019	7	7		
2020	5	5		
2021	6	6		
2022	6	6		
Totals	78	57	4	17
%		0.73	0.05	0.22
* Present employment or student status.				

Table 1 Outcome metrics as of Jan 2024 for past PREP Classes. Science related refers to employment in some position, Academic, Government, or Industrial, related to Biomedical fields. Of the 78 students in past years 20 completed Ph.D.'s, 7 received their MS, and 28 are currently enrolled as pre-Doctoral students.
