

WWAMI Pro Honorees

WWAMI Pro is a medical student-driven recognition program, created to empower students to honor professionalism in the UW School of Medicine community. UW medical students can recognize any individual who contributes to a positive, respectful, and supportive learning environment. The WWAMI Pro Awards program is administered by the Committee for Continuous Professionalism Improvement (CPI).

The UW School of Medicine is committed to the promotion of professionalism throughout our community. To support this, CPI was created in 2007 by Paul Ramsey, M.D., Dean of the UW School of Medicine, to oversee and promote professionalism throughout the medical school and at all teaching sites.

WWAMI Pro recognitions are announced at least once per year. Current medical students can submit nominations online [here](#). To learn more about CPI, please visit the [CPI website](#).

Following is a list of the WWAMI Pro Award recipients to date, arranged by WWAMI state. **Purple text highlights April 2019 – April 2020 honorees.** Numbers in parenthesis denote the number of times the person has received a WWAMI Pro Award.

Washington – Western

Dr. Heidi Allred, Bremerton
